

NURSERY SECTION (0-2 YEAR OLDS)

How it Works:

We desire to show God's grace to each little one by providing a nurturing environment through prayer and song, playtime, and sharing God's Word in simple ways. We provide a snack of Mum Mums in our Nursery and Veggie Straws in Toddlers. We are happy to provide diaper changes and potty trips, or you can opt to be called out of service for this. If your child is potty training, please let your child's leader know when checking him or her into the room.

Classes

Our volunteer to child ratio is 1:3 for babies and 1:5 with 2 Year Olds.

Curriculum (for Toddlers Room)

Series Title	Series Focus
A Sure Foundation: Volume 1 – His Praiseworthy Deeds (Year 1)	With one lesson per month, toddlers are introduced to great truths about God in very simple words. They learn foundational truth statements about God through Bible stories and repetition, such as "God is good", "God is strong", "Jesus loves you", etc.
A Sure Foundation: Volume 2 – Set Their Hope in God (Year 2)	Following the same format as volume 1, toddlers learn additional Bible stories, further reinforcing key Bible truths like, "God is with us" and "we need God".

Classroom Routines

Our Nursery & Toddlers rooms provide a flexible caring environment for little ones where they are shown the grace of God as leaders pray for them, care for them, engage in stimulating and calming activities, and as toddlers receive simple Bible stories and occasional crafts. Our Toddlers room uses a 4-week toy rotation to keep the toys fresh and varied along with some regular favourites that remain the same from week to week.

Children adjusting to being cared for by non-family members benefit from calm, loving, and brief good-byes, during which parents say a quick “I love you” and “goodbye!” and tell the child they will be back. We comfort and redirect children who are upset by a parent leaving to meaningful and calming activities such as reading a book, a favourite toy, or a gentle song after the parent has left. Consistency is key for helping children adjust. We value your open communication with our team as we seek to help your child transition to Sundays in RK.
