

How it Works:

Children participate in a large-group time practicing the memory verse, worshipping through song, and receiving teaching from God’s Word that is engaging and age-appropriate using the Truth:78 curriculum. Children also break off into small groups to pray, apply the central truth to their lives, and complete their workbook page for that week. Kids have the opportunity to say their memory verse to a leader on the last Sunday of every month. Starting in SK, children have the opportunity to give offering. We also encourage children to bring their Bibles with them every Sunday!

Classroom Expectations

Our four overarching classroom rules are:

- ✓ Respect others and their things (1 Peter 2:11)
- ✓ Obey your leaders (Romans 13:1-2)
- ✓ Participate (Romans 12:11)
- ✓ No complaining (Philippians 2:14)

Children are encouraged to practice whole body listening during an age-appropriate lesson time. Bullying is not tolerated. Behaviour that jeopardizes the safety of others or an environment conducive to love and learning will be responded to in an age-appropriate way, which may require the child be removed from class for a time until they are able to make better choices. Please remind your child of the importance of being considerate of other children in the class and respectful of their leaders.
